

Through an annuity, you can help make the world a better place to live.

Divine Word priests and brothers are involved in a wide range of ministries in the Chicago Province. These ministries include proclaiming the Gospel, administering sacraments, serving as chaplains at prisons and hospitals, healing ministries, family and youth counseling, initiating economic development, food and shelter assistance, and primary/secondary education at parishes throughout the United States, Canada and the Caribbean.

At Divine Word College in Iowa, young men receive degrees in higher education as well as personal nurturing, mentoring, and encouragement. At Catholic Theological Union in Chicago, our seminarians pursue theological studies.

Our ministries serve diverse Hispanic, Vietnamese, Polish and inner-city families in Chicago, St. Louis, Memphis, Indianapolis, central New Jersey and West Virginia. Our ministry also impacts youth, teens and adults in parishes in Montreal and the Caribbean.

Retreat and Conference Centers at Techny, Illinois and Duxbury, Massachusetts serve religious, educational and charitable organizations.

Your contribution directly impacts Divine World ministries.

There are many benefits that come with being an annuitant:

Spiritual Benefits

Annuitants share not only in the Society's work but also its graces and blessings. Annuitants are remembered in the prayers and Masses offered by Divine Word priests worldwide and are automatically enrolled in the Society's Mission Mass League, where seven Masses are offered every day perpetually.

High Rate of Return

Depending on your age, your rate of return may be significantly higher than CDs and money market rates offered by banks. *(See the reverse side for current annuity rates.)*

Reliable and Steady Income For Life

The Society of the Divine Word believes it has a moral obligation to make your payment reliable and dependable. In over 100 years, we never missed a payment! You can choose payments to be made monthly, quarterly, semi-annually or annually.

Tax Benefits

A percentage of your gift annuity can be deducted as a charitable contribution. A portion of the annual income received is also tax-free. Exact figures for each annuity are based upon current Internal Revenue Service regulations.

Your gift impacts training and education of our future missionaries around the world.

There are different types of gift annuities to help suit your needs.

Single Life Annuity

A Single Life Annuity is for one individual. The Society accepts the responsibility to pay the individual named on the contract a fixed income for life. The principal of the annuities is non-refundable.

Joint Annuity

A Joint Annuity provides payments to two individuals for as long as either of them lives.

Survivorship Annuity

A Survivor Annuity covers the life of two individuals. Payment is made to the donor alone during his/her lifetime and subsequently to a named survivor.

Deferred Annuity

A Deferred Annuity begins payments at a later date to be determined by the donor. The interest is compounded accordingly.
